Teachers on eleven (11) month contracts will receive eleven (11) days each year, and those on twelve (12) month contracts will receive twelve (12) days each year. Amended 8-2012

- 1.2 If a certified employee has exhausted all sick leave benefits, the employee shall receive the full contract salary less the amount actually paid a substitute for the employee's position for an additional twenty (20) days. After exhausting all sick leave and the additional twenty (20) days, the employee's salary will be reduced one day's compensation based on the teacher's contract days. Example: 165 day contract, reduction would be 1/165 per day absent. Amended 7-2020
- 1.3 Upon retirement an employee may be paid fifteen dollars (\$15.00) per uncompensated sick leave day up to a maximum of sixty (60) days. Only days not certified to OTRS and or other use may be compensated. Amended 7-2020
- 1.4 The Administration shall keep a record of all sick leave accumulated. At the beginning of each year, the Administration will advise each teacher, in writing, as to the number of sick leave days the teacher has accumulated.
- 1.5 Sick leave may be used for doctor or dental appointments including immediate family. Refer to Article 1 "Sick Leave" 1.1
Amended 8-2012
- 1.6 Unused sick leave shall be cumulative to a total of sixty (60) days and is transferable to any other school district in Oklahoma. Up to a maximum of sixty days of sick leave earned in another Oklahoma district may be transferred to this district. Sick leave so transferred must be certified by the sending district.
- 1.7 After an employee has exhausted all accumulated sick leave, personal leave, and vacation time, the employee may be eligible for twelve (12) work weeks of unpaid leave under the family leave policy.
- 1.8 If sick leave is taken for family bereavement purposes, the leave for that period may extend to the date of the funeral and a reasonable time thereafter to allow for travel. Refer to Article 10 "Bereavement Leave" 10.1.
Amended 3-2017
- 1.9 Sick leave for school use is a maximum of 60 days. Additional sick leave days may be banked toward 120 days and certified to OTRS for retirement to receive an additional year of service. This additional leave cannot be used for school purposes, only with OTRS. Example: You have 60 sick days total ending 2016. Beginning of 2016-2017 you get 10 more sick leave days. This makes a total of 70 sick leave days. Only 60 can be used for sick leave. The additional ten can be used toward OTRS retirement additional year of service once 120 is reached. A sick leave day can only be used once for any compensation or benefit. Upon retirement, you will need 120 sick leave days for an additional year service for OTRS and an additional 60 days for maximum benefit paid

out under Section III, 1.3 for a total of 180 days for maximum benefits upon retirement.
Amended 5-2016

ARTICLE 2 - PERSONAL LEAVE

- 2.1 Teachers will be granted three personal days each year with no carry over. If you have worked in the district 1-3 years, you will get 1 personal day with the sub being paid for by the district. The 2nd and 3rd day will be salary deducted at \$50 for a sub. If you have worked in the district 4-6 years, you will get 2 personal days with the sub being paid for by the district. The 3rd day will be salary deducted at \$50 for a sub. If you have worked in the district 7+ years, you will have the sub paid for by the district for all 3 days. No employee may have more than 3 personal days per year.

Amended 7-2020

- 2.2 Personal business days may be granted hourly upon request.

ARTICLE 3 - EMERGENCY LEAVE

- 3.1 Each teacher shall be granted up to three (3) paid days per year of non-cumulative emergency leave for non health related issues. Such leave may also be used for bereavement in all other circumstances not listed in Article 10 "Bereavement Leave". See "Emergency" in definition section.

- 3.2 The school district shall pay the substitute teacher if days are approved under this article.

ARTICLE 4 - LEGAL PROCESS LEAVE

- 4.1 Teachers shall be granted leave to serve on a jury or as a witness subpoenaed in a criminal, civil, or juvenile proceeding. Teachers shall present documentation from the courts/subpoena and attach to the leave request showing date(s) and school hours for required service to get Legal Process leave time approved. No non-service time will be approved under Legal Process leave other than one hour added for travel time. (It is not Legal Process leave if the teacher is personally as a private citizen connected to the proceedings.)

Amended 4-2018

- 4.2 Any compensation received will be transferred to the school district. Expense reimbursement will be retained by the teacher.

- 4.3 Upon return to work the employee must present proof of jury duty or court appearance service including dates the teacher is dismissed before noon, the date of jury duty or court

appearance, and the teacher must report back to school.

Amended 4-2018

ARTICLE 5- PROFESSIONAL LEAVE

- 5.1 When approved by administration teachers may be granted leave to attend workshops or conferences which relate to their present job assignments. The teacher shall not lose pay or accumulated leave benefits for such absence.
- 5.2 Every effort will be made to avoid requiring teachers to attend professional workshops beyond the teacher workday or work year. However, if the decision is made to require attendance at a workshop beyond the teacher workday or work year, teachers will be compensated at the stipend rate of Forty Dollars (\$40) per daily workshop plus expenses. Teachers shall be given written notice of such workshops at least one week in advance.
- 5.3 All approved expenses incurred by the teacher as a result of attendance of an approved professional meeting, workshop, or conference shall be reimbursed by the district.

ARTICLE 6 - EDUCATIONAL TOURS

- 6.1 Teaching personnel who wish to take time off from their duties to perform educational tours may be permitted two (2) days to do so. Teaching personnel will be required to pay the cost of a substitute if needed. Individual permission must be obtained.

Amended 7-2020

ARTICLE 7 - FAMILY LEAVE

- 7.1 Each teacher shall be granted up to twelve (12) work weeks of unpaid leave to employees who have been employed at least one (1) year in this school district, who have worked at least 1,250 hours during the previous 12-month period, and who have exhausted their sick leave, personal leave, emergency leave, or current FMLA law requirements.

Amended 7-2020

- 7.2 Per BOE Policy of the Gore School District to comply fully with the requirements of the Family and Medical Leave Act of 1993, as amended ("FMLA".) All eligible employees who meet FMLA requirements may be granted a total of twelve (12) weeks of unpaid FMLA leave in a 12 month period pursuant to District policy. Requests for Family Medical leave must be submitted to their Principal in writing. It is not the intent of the District or its FMLA policy to provide leave benefits that exceed those authorized by rule, policy or existing law as supplemental by the Act. Thus, an eligible employee must

concurrently use any accrued paid vacation leave, personal leave, and sick leave (including shared sick leave) for any part of the twelve (12) week period of FMLA leave. All paid non-Act leave will be used prior to unpaid non Act leave.

Amended 5-2014

- 7.3 During a period of FMLA leave, an employee will be retained on the District's medical insurance plan under the same conditions that applied before the leave began. In order to continue medical insurance coverage, the employee must continue to make any contributions that he or she made to the plan before the leave. Failure of the employee to pay his or her share of the medical insurance premium may result in a loss of coverage. The employee is required to pay all of the premiums for any other types of insurance coverage which may exist. Amended 5-13-2014

- 7.4 Upon completion of Family Leave, the employee will be entitled to return to the former position of employment with equivalent benefits and pay without loss of seniority or tenure. However, the leave time will not be counted toward tenure. The district will maintain the employee's medical insurance coverage.

- 7.5 Intermittent leave may be taken in lieu of continuous leave for the birth or adoption of a child only with the concurrence of the district. The employee must provide thirty (30) days of advance notice or as many days of advance notice as is practical. Leave taken for serious health conditions of the employee or an eligible member of the employee's family may be taken intermittently without district concurrence. However, the employee may be transferred to another position that can better accommodate the employee's recurring absences. Such transfer will not reduce the employee's pay and benefits.

ARTICLE 8 - UNPAID LEAVE OF ABSENCE

- 8.1 Teachers with at least one (1) year of service to the district may apply to the Board by March 1, if possible, for a one (1) year unpaid leave of absence for the following reasons:
- A. maternity
 - B. advanced study
 - C. extended illness of the teacher
 - D. extended illness of a member of the teacher's immediate family.
- 8.2 A request for a leave of absence for extended illness must be accompanied by a physician's statement.

- 8.3 The teacher may remain on district insurance programs, at the teacher's expense, during the period of the leave, as permitted by district insurance carriers. Salary steps and leave benefits shall be neither gained nor lost during a leave of absence.
- 8.4 An application for reinstatement for the ensuing year following a leave of absence must be filed by March 1. If no such request is filed by that date, the teacher will be deemed to have resigned, effective at the end of the contract year.
- 8.5 Upon returning from an unpaid leave of absence, the teacher will be returned to a position within the teacher's field of certification. The teacher shall be placed on the last salary step reached prior to the leave, and all accumulated leave benefits will be reinstated.

ARTICLE 9 - SICK LEAVE SHARING

- 9.1 The Board of Education has established a sick leave sharing program for the donation of sick leave days to and from employees of the Gore School District. The program will permit employees to donate sick leave to other employees who are suffering from or who have a relative or close family member who is suffering from an extraordinary or severe illness, injury, impairment, or physical or mental condition which has caused or is likely to cause the employee to take leave without pay or to terminate employment.
- 9.2 Procedures:
 - A. Any employee to receive donated sick leave must submit in writing (Appendix G) to the Board of Education or Superintendent a request which identifies the rationale for the request, the projected dates for the leave to be used, and documentation that absence is medically essential.
 - B. The receiving employee must have exhausted or will exhaust sick leave earned due to a severe illness, injury, impairment, or physical or mental condition, including temporary disability resulting from pregnancy, miscarriage, childbirth or recovery therefrom.
 - C. The condition must have caused, or is likely to cause, the employee to take leave without pay or to terminate employment.
 - D. The receiving employee does not have to use the statutory 20 days with substitute pay deducted until all of the Sick Leave Sharing days are used.
 - E. The amount of leave to be donated is limited to twenty (20) days per request.
 - F. Donors may donate only days in excess of thirty (30) and must do so in writing. Donors may donate a maximum of ten (10) days per year. (Appendix H) Amended 8-2000
 - G. Any shared sick leave not used by the recipient during each occurrence of shared sick leave use shall be returned to the donating employee. If more than one employee donated sick leave to the recipient and all the donated

sick leave was not used, the remainder will be prorated to the credit of the donating employees.

- H. Participation in this policy is strictly voluntary. No employee shall be coerced, threatened, intimidated, or financially induced into donating sick leave for the purpose of this policy.

Amended 8-2000

- I. Each employee asking for Sick Leave Sharing may be allowed to ask once per semester.

Amended 5-2014

ARTICLE 10 - BEREAVEMENT LEAVE

- 10.1 The Board shall provide each teacher five (5) days of bereavement leave for loss of a spouse, parent, child, grandchild, sibling, grandparent, respective in-law, or partner/significant other, including their parents and children, per loss that occurs during the school year. Use “family” as already defined in definitions.

Amended 4-2018

ARTICLE 11 - NEW EMPLOYEE LEAVE

- 11.1 Any school employee in the Gore Public School District, who uses more than two (2) days of sick leave during the first two (2) months of the school year, may be required to provide a statement from a medical doctor, stating that the employee is unable to perform his/her duties at school.

Amended 5-2014

SECTION IV - EMPLOYMENT

ARTICLE 1 - REASSIGNMENT

- 1.1 Teachers whose assignments change after the last day of school shall be notified of the change within a timely manner.
- Amended 7-2003
- 1.2 All teachers are subject to assignment within their certification as prescribed or authorized by the Oklahoma State Department of Education.
 - 1.3 If it becomes necessary to fill a vacancy by an involuntary transfer or reassignment, a meeting will be held between the teacher involved and the Superintendent. If the teacher objects to the transfer, reasons for the objection will be presented in writing to the Superintendent. The teacher shall receive a written response from the Superintendent within seven (7) calendar days.

ARTICLE 2 - VACANCIES

- 2.1 Notice of vacancy for positions within the bargaining unit shall be posted at each school site for at least one (1) week prior to the vacancy being filled. During the months of June, July, and August vacancies shall be posted outside the superintendent's office.
- 2.2 Posting shall include the position title, qualifications desired, and person to contact for further information.
- 2.3 Written applications of teachers currently employed in the district shall be considered before those of outside applicants. Consideration is not a guarantee of reassignment.

ARTICLE 3 - REDUCTION-IN-FORCE

- 3.1 When it becomes necessary to reduce the number of certified personnel based on a reduction in revenue, decrease in student enrollment, or changes in educational programs or curriculum, all areas of the school's operation will be considered in determining where cuts in budget and reduction in force will be affected.
- 3.2 When the decision is made to reduce staff, the Board may exclude positions to guarantee meeting the needs of the students and the needs of the programs of the district. Prior to making a recommendation to the Board related to the above statement, the administration shall meet with the Gore Teachers' Association to discuss the proposed recommendations for excluded positions. Once a determination has been made as to which positions should be eliminated, then the primary basis that will be used in determining which teachers holding such positions as measured by the District's Teacher and Leader Effectiveness System (TLE) for each year in the TLE has been in effect. If the composite ratings of the teachers in the affected positions are the same, then the following, **in this order**, shall be considered:
 1. Seniority in the district established from the first reporting date to work, with continuous service from that date.
 2. Total years of teacher service.
 3. Level of preparation in certified areas of teaching (following a high to low priority order of: major endorsement on standard certificate, minor endorsement on provisional certificate and number of college credit hours in the area of teaching assignment as evidenced by position on the teacher salary schedule).
 4. Lot drawing made by the District in the presence of an authorized representative of the Gore Teachers' Association
- 3.3 Personnel whose employment is terminated under the provisions of this policy shall be

recalled for reemployment to fill subsequent vacancies in positions for which they have standard certification. Such recall shall be for a period of one (1) year. Such reemployment shall be in reverse order of termination according to the provisions of this policy. Priority for reemployment shall extend through the calendar year in which the reduction-in-force occurred.

- 3.4 When an employee who was terminated due to reduction in force is rehired, he/she will receive credit for his/her continuous service at the time of termination. In addition, a rehired employee's subsequent service shall be considered continuous with the previous service.

ARTICLE 4- PATRON COMPLAINTS

- 4.1 When a parent feels there is a problem which needs to be brought to the attention of a teacher, the parent will be encouraged to conference with the teacher.
- 4.2 If a principal schedules a conference with a parent and a teacher, the teacher shall be notified in advance and informed of the problem.
- 4.3 Investigation of problems shall include discussion with the teacher involved as well as the school patron.

ARTICLE 5 - PERSONNEL FILE

APPENDIX A-PROCEDURAL AGREEMENT

I. PURPOSE

1. The Board of Education of the Gore Public Schools and the Gore Teachers' Association recognize the need for an orderly process of communication of administering employer/employee relations which conform with Oklahoma Statutes, Title 70 C 509.1 et seq.

II. RECOGNITION

- 2.1 This Agreement is made and entered into by and between the Gore Teachers' Association, hereinafter termed the Association and the Board of Education of the Gore Public Schools, hereinafter termed the Board.
- 2.2 The Board hereby recognizes the Association as the exclusive representative for the bargaining unit consisting of all certified and licensed employees who do not hold supervisory authority with respect to other teachers. The Board agrees not to bargain with any individual member of the bargaining unit for the duration of this Agreement. Further, no individual member of the bargaining unit shall negotiate with the Board except through their duly recognized bargaining representative.

III. SCOPE OF BARGAINING

- 3.1 The Board and the Association agree to negotiate in good faith on wages, hours, fringe benefits, and other terms and conditions of employment.
- 3.2 The Board retains and reserves unto itself, without limitation, all powers, rights and authority conferred upon and vested in it by State and Federal law, including the right to make policy, rules, and regulations which are not inconsistent with the Negotiated Agreement.
- 3.3 The Board and Association agree that no negotiations will occur on any duty reserved to the Board by statute or court order.
- 3.4 Negotiations may occur on areas or items outside the scope of wages, hours, fringe benefits, and other terms and conditions of employment upon mutual agreement of the parties.

IV. NEGOTIATIONS PROCEDURES

4.1. The Board and the Association shall each designate in writing the names of not more than seven (7) persons who shall serve as their respective representatives for negotiations pursuant to the provisions of this Agreement. Each party shall also designate the person on its team who will serve as spokesperson. Alternates may be designated; however, alternates will attend meetings only when serving in the place of a regular team member or by mutual agreement of the parties.

4.2 OPENING NEGOTIATIONS

4.2.1 Between February 1 and March 15 of each ensuing year, either the Association or the Board shall submit a written request for negotiations to commence to the other party if they desire there to be negotiations for that year. If no such request is made, negotiations will not take place for the ensuing year.

4.2.2 The first negotiations session shall occur on a mutually agreeable date no later than sixty (60) days after the written request is presented, unless another date is mutually agreed upon by both parties.

4.2.3 Both parties shall submit proposals for negotiations at the first session only. Additional proposals to cover unforeseen situations may be submitted after the first session by mutual agreement.

4.2.4 By mutual consent of both parties, the provisions in paragraph 4.2.3 may be disregarded if both parties agree to participate in an alternate bargaining method such as collaborative bargaining.

4.3 NEGOTIATIONS SESSIONS

4.3.1 Negotiations will be conducted between the representatives of the parties and only in regular negotiations sessions at the times, dates, and places mutually agreed upon by the parties. Scheduling of subsequent sessions will be made prior to the close of each current negotiation session. Such scheduling will reflect times and places mutually acceptable to the respective persons of the respective parties.

4.3.2 All bargaining will be conducted in closed sessions. No recordings or official transcripts shall be made.

4.3.3 During meetings each party is free to caucus at any time.

4.3.4 Other meeting ground rules shall be set by mutual agreement at the table.

4.4 TENTATIVE AGREEMENT

- 4.4.1 Both parties agree it is their mutual responsibility to empower their respective representatives with the necessary authority to make proposals, to consider proposals, and counter proposals in the course of negotiations, and to reach tentative agreements subject to ratification by the Board and the Association.
- 4.4.2 When tentative agreement is reached on any item, it shall be reduced to writing and signed and dated by the spokesperson of each team. When tentative agreement is reached on all items, the package of agreements shall be submitted first to the membership of the Association for ratification then to the Board for ratification.

V. IMPASSE

- 5.1 If negotiations are not successfully concluded by the first day of school, an impasse shall exist. At an earlier time following its initial negotiation, either party may declare an impasse, or by mutual agreement of the parties, the date declaring impasse may be extended beyond the first day of school.
- 5.2 Within five (5) days of such declaration, the Parties may, by mutual agreement, request the services of the Federal Mediation and Conciliation Service.
- 5.3 If the mediation process has been utilized and has failed to bring about agreement on all items, or if the mediation process was not utilized, the unresolved items shall be submitted to fact finding as follows:
 - 5.3.1 A fact finding committee consisting of three members shall be formed. One member shall be selected by the Association and one member shall be selected by the Board, within five (5) days of the declaration of impasse or the conclusion of an unsuccessful mediation. These two members will notify the State Superintendent of Public Instruction that a fact finder is needed. The State Superintendent of Public Instruction (or designee) shall provide a list of five (5) potential fact finders to the parties. If the representative of the Board and the representative of the Association cannot agree upon a name, then there shall be a coin toss. The winner of the toss shall decide whether to strike a name first or to have the loser of the toss strike a name first from the list. The two representatives shall then continue alternately striking a name from the list until only one name remains. That person shall then be named to serve as Chairperson of the fact-finding committee.
 - 5.3.2 Within five (5) days after the selection of the chairperson, the representatives of the parties shall meet to exchange written language of each item at impasse. The exchanged documents shall be furnished to the Chairperson and other members of the committee. Each item being

submitted to fact finding shall show the last position taken by each negotiating team.

- 5.3.3 The cost for the services of the fact finding committee, including the per diem expenses, if any, and actual and necessary travel expenses shall be shared in the following manner: The Board shall assume the expenses of the representative selected by the Board, the Association shall assume the expenses of the representative selected by the Association, and the expenses of the third member shall be shared equally by the Board and the Association.
- 5.3.4 The fact finding committee shall have the authority to establish procedural rules, conduct investigations, and hold hearings during which each party to the dispute shall be given the opportunity to present its case with supporting evidence.
- 5.3.5 The Chairperson shall convene the committee for fact finding. The committee shall meet with representatives of both parties and within twenty (20) days after the fact finding hearing, shall present its written recommendations to the Board and the Association. The report shall set forth findings of fact and recommendations on the issues submitted.
- 5.3.6 If either party decides it must reject one or more of the committee's recommendations, said party must, within seven (7) days after the committee has presented its recommendations, request a meeting of the representatives who have been negotiating for the Board and the Association. The parties shall meet within seven (7) days of the request, unless both parties deem it unnecessary. At such meeting, the parties shall exchange written statements expressing each party's rationale for rejecting each recommendation found unacceptable and shall attempt to clarify any remaining differences. The representative shall then resume a good faith effort to resolve the remaining differences; provided, after fourteen (14) days after the exchange of written statements as provided for by this action, either party may discontinue such effort.
- 5.3.7 The local board shall file a copy of the fact finding report with the Office of the State Superintendent of Public Instruction. If the effort to resolve differences is successful, the parties shall draft a written agreement and present the agreement to both parties for ratification, and such agreement shall also be forwarded to the State Superintendent of Public Instruction. If the effort to resolve differences is unsuccessful, the local board of education shall forward to the State Superintendent of Public Instruction in writing its final disposition of the negotiations impasse process within thirty (30) days of the effective date of implementation.
- 5.4 The procedure provided for herein for resolving impasses shall be the exclusive recourse of the Association. It shall be illegal for the Association to strike or threaten to strike as a means of resolving differences with the Board. Any member of the Association engaging

in a strike shall be denied the full amount of his wages during the period of such violation. If the Association or its members engage in a strike, then the Association shall cease to be recognized as representative of the unit and the school district shall be relieved of the duty to negotiate with such organization or its representatives, as prescribed and outlined in Oklahoma Statutes 70.509.8.

VI. SAVINGS CLAUSE

- 6.1 The Board and the Association agree to abide by all applicable statutes, rules and regulations, and decisions of courts of competent jurisdiction. Should any part of this Agreement be affected or declared illegal by Oklahoma Statutes, court of competent jurisdiction, or the Attorney General, said part shall be automatically deleted from its Agreement to the extent that it is affected, or violates the law.
- 6.2 The remaining provisions shall remain in full force and effect for the duration of the Agreement. Negotiations shall commence within thirty (30) days for the purpose of arriving at a legally permissible replacement of the deleted part.

VII. DURATION OF AGREEMENT

- 7.1 This Agreement shall become effective upon ratification by the Board and the Association. The Agreement shall be effective for a period of one (1) fiscal year and shall be renewed automatically without modification unless the parties agree on an amendment. Notice shall be given in writing, after January 1 of any year, by either party, that the party desires to modify, amend, or terminate this Agreement.
- 7.2 In the event that the Association disbands or otherwise ceases to be the recognized bargaining agent, this Agreement shall be null and void on the date of such disbanding or cessation of representation.
