2. Plan and discuss the American Rescue Plan Use of Funds for ESSER III

The following are a list of suggestions to consider:

- The extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, to continuously and safely open and operate schools for in-person learning.
 - a. How the LEA 20% of funds to provide, sustain and improve:
 - b. Summer school programs
 - c. Before/after school Learning Loss remediation teachers/instructional coaches
 - d. Elementary counselor
 - e. School based social/mental health worker

20% of funds to provide, sustain and mitigate learning loss:

- Summer school programs
- Before/after school Learning Loss remediation teachers/instructional coaches
- District Instructional Learning Loss Coach to mitigate learning loss.
- Technology purchases to facilitate remediation/tutoring in instructional classrooms used for tutoring, remediation and mitigation of learning loss sustained due to COVID 19.

Remaining balance of fund expenditures ending September 2024:

- SPED testing services, equipment needs, staffing
 - Professional Development opportunities
 - Technology (general education classroom, teacher, administrative, student)
 - Curriculum and online access to curriculum.
 - SEL programs, Mental health service, support, and staffing
 - Family outreach and support services
 - Facility repairs and improvements
 - School safety and security including barriers such as Safety Fencing.
 - Salaries and stipends for new and existing staff
 - Route Buses to replace old, outdated, current inventory and utility vehicle for food and instructional materials distribution to students.
 - Districtwide supplies for cleaning, sanitizing, and training of staff in mitigation of the COVID virus
 - Student enrichment, attendance tracking, support for virtual students and their families
 - Construction and remodel of facilities to Respond and Reduce exposure to COVID 19 including hvac units for fresh air exchange and purification.
3. Budget Revision
- will use the funds it reserved to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.
 - How the LEA will spend its remaining ARP ESSER funds consistent with the uses authorized in the ARP Act; and
 - How the LEA will ensure that the interventions it implements, including but not limited to those implemented will respond to the academic, social, emotional, and mental health needs of students, and particularly those students disproportionately impacted by COVID-19, including students from

low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care and migratory students.

4. Gore Schools has been meeting to address the needs of the district to best utilize the APR ESSER III funds. We are focusing on now and the future to provide the best plan for the district's academics, technology, facilities, and faculty success. The following is a list of how the district is planning for the future as revised from our 2022 revision meeting.

Safe Return Plan updates per CDC, OSDE, and OSHD Dept.

Review and update plan per agency recommendations.
