TERMINATION OF EMPLOYMENT
TEACHERS

It is the policy of the Gore Board of Education that professional employees, who for any reason intend to resign or who intend to retire, are encouraged to indicate their plans in writing to the board as early in the school year as plans may become firm and the decision to leave the district is made. Resignations become effective at the end of the school year in which they are submitted. Resignations to become effective earlier than at the end of the school year require a release by the board and must be considered on an individual basis. Resignations for the subsequent school year, made after April 25, likewise require a release by the board and will be considered on an individual basis. Letters of resignation must be mailed to the board by registered or certified mail or completion of the resignation policy requirements. The board has directed the superintendent to accept resignations on their behalf with a completed resignation policy form. Any resignation submitted on the resignation policy form are immediate and irrevocable upon the superintendent’s approval.

Any teacher will be subject to dismissal at any time or will not be eligible for reemployment for:

1. Willful neglect of duty,
2. Repeated negligence in the performance of duty,
3. Mental or physical abuse to a child,
4. Incompetency,
5. Instructional ineffectiveness,
6. Unsatisfactory teaching performance,
7. Any reason involving moral turpitude,
8. Conviction of a felony,
9. After a finding that such person has engaged in criminal sexual activity or sexual misconduct that has impeded the effectiveness of the individual's performance of school duties, or
10. Failure to earn required staff development points.

Probationary teachers may be terminated or nonrenewal by the board at its discretion subject to any statutory due process requirements in effect at the time such teacher is recommended for dismissal or nonrenewal.

Procedures for dismissal of certified employees are governed by state law and all actions of the school district and the board are clearly identified in the statutes. However, nothing in this policy shall be construed to prevent layoffs due to lack of funds or work.
The board of education may vote to offer employment or to not offer employment for the subsequent school year in advance of the statutory deadline. Until a written contract is executed or until the statutory deadline passes, the board may vote to not reemploy a certified employee.

The superintendent is directed to prepare procedures for the termination of career and probationary teachers in support of this policy.
