VEHICLE USE AND PARKING
STUDENTS

The Gore Board of Education will permit student use and parking of motor vehicles on the high school campus only. Students driving a motor vehicle to the high school campus may park the vehicle in the parking lot designated for student parking. Students will not park vehicles in driveways or on private property. The vehicle will not be used during the school day. In the event of an emergency, permission may be granted for a student's use of a vehicle and to commute to gym for athletic periods.

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles when on school property. The interior of student vehicles may be inspected whenever a school authority has reason to believe that illegal or unauthorized materials may be contained inside. Such patrols and inspections may be conducted without notice, without consent, and without a search warrant.

1. Licensed drivers may drive their personal automobiles to school, provided they comply with all driving regulations.

2. Students driving personal automobiles must leave vehicles in the designated parking area from the opening of school in the morning until school is dismissed in the evening. Exceptions may be granted for those athletes whose practice sessions extend beyond the close of the day. All exceptions must be cleared through the office.

3. Students are not allowed to return to their cars for any reason during the school day without written permission from the office.

4. Any verified report of improper operation of a motor vehicle will result in the loss of school driving privileges.

5. Any substance (drugs, firearms, tobacco) not allowed on person or lockers is not allowed in automobiles.

6. Drivers must have FORM C on file in the principal's office.

7. Any student in violation of any of these rules shall, on the first offense, be suspended from operating a vehicle on school premises for two (2) weeks. A second violation shall result in the permanent suspension of driving privileges.
