RESTRAINTS AND SECLUSION

It is the policy of the board of education that physical restraint and seclusion will not be utilized as an acceptable punishment for students. Students will be physically restrained only in the event that the child is an immediate threat to self or others. In such circumstance, the physical restraint will not include any action that could potentially restrict breathing or subject the child to physical injury.

Children that are on an IEP may be disciplined in accordance with a Behavioral Intervention Plan that is included within the IEP.
